What is Big Bend Octane Fest?

Octane Fest started with a group individuals that enjoyed cruising the Big Bend Area. Octane Fest 2019 started w/ 40 cars and a goal of enjoying the camaraderie & help raise funds for the community. If you are not familiar with Octane Fest, it happens every fall originating in Alpine, Tx and the event encompasses Telingua, Big Bend and Ft. Davis and surrounding areas.

If you would like to see a video from the event

<https://www.youtube.com/watch?v=xUY-4xR3pm0>

Big Bend Octane Fest 2022 Caravan

For those attendees in the San Antonio, Boerne and Hill Country area that are attending the Big Bend Octane Fest 2021 we will be departing on 8 Oct at the **Walmart in Boerne, Tx at 7:00am.**

There is a McDonalds at the Walmart if you need to grab a snack before we depart. Our **first stop** (2 hours) will be at the **Loves gas station** in Sonora, Tx (3880 Loop, 467, Sonora, TX 76950) and the **last stop** (2 hours) will be at the **Sunoco** (1723 US Hwy 285, Fort Stockton, TX 79735) in Ft. Stockton before heading into Alpine Tx (1 hour).

There are various TxDot rest areas and Gas Stations along the way should anyone need to use the facilities along the way.

If you have a Walkie Talkie it is highly recommended that you bring it so you can be informed on what is happening during the caravan and during the weekend. We will be using Channel 7.

Once in Alpine attendees can get lunch at various locations, check in for registration at Stable Performance Cars (511 W Holland Ave, Alpine, TX 79830), check into hotel and enjoy some relaxing time before activities start on Saturday morning.

GroupMe groupme

We will be utilizing an app called GroupMe that allows for everyone to be in group text message so that if there is a change in plans, broken down vehicle, etc everyone will know. This is optional since this is a group app, every message will be

sent to all members. Additionally, it can be a nuisance for some since we have about 80 people (50 Cars) already signed up for the event. It does have a mute function that where you will receive the message, but your phone will not go off that a message has arrived. If you use this function you will need to monitor it for messages. Please use it sparingly to communicate. The app is available for Android and Apple.

The Group name is Big Bend Octane Fest 2022. Once you have the app downloaded you can request to be added to the group. GroupMe will only work if there is Cell service available

What should you wear?

Since the event happens in October, the weather is usually in the mid 80s during the day and down to the 50s and below in the evening. Recommend bringing a warm jacket in case the weather turns cold. During the morning it will be cool, so dress in layers so you can get comfortable during the day when the temperature rises.

Will Cell phones work?

Cell phones work in the towns we will be visiting, however you will experience no cell service on some of the roads in-between. It is highly recommended you bring a walkie talkie if you have one, since it will help communicate along the routes. We will be using Channel 7. GroupMe will also be utilized

What drive routes for the event?

There will pre-planned routes that you can sign-up for at the event. If you would like to drive on your own and enjoy the sites you are more than welcome to.

Front License Plates

It has been our experience that if you do not have a Front license plate there is a slight chance you may get pulled over by DPS. However, don't worry, you will most likely get a warning.

Gas and Octane booster

The available octane at most gas stations at the towns we will visit will be 91 Octane. If you need higher Octane it is recommended you bring some Octane Booster with you. Additionally, Stable Performance will have 93 as well as some of the local Auto parts stores.

When and where will registration be?

Registration will start at noon on Friday, Oct 7 at Stable Performance Cars
511 W Holland Ave Alpine Tx. 79830 (432) 837-9789

Big Bend Octane-Fest lodging

Hampton Inn 2607 West, US-90 Alpine, Tx 79830 (432) 837-9789

Parker Hotel 2800 West US-90, Alpine, TX 79830 (432) 837-1100

Vehicle Check list

It should go without saying that since this event involves a lot of driving it is imperative that you check your vehicle out to ensure it is road worthy.

Some of the things to check are: Check Tire Pressure, Oil and Fluid Levels, Tire tread depth.

Some things you may want to have in the trunk which are optional, tire repair kit, octane booster if needed, and tools.

Car Wash

There are a couple of car washes in Alpine. Additionally, most hotels will allow you to use their water hose should you prefer to wash it by hand.

Star Party

Make plans next year to attend

McDonalds Observatory has tour & live telescope views called Star Parties which include the open-air constellation tour as well as live telescope views streamed via a specialized astronomy camera attached to a high-quality telescope designed for imaging. Images of select targets are projected onto a large outdoor screen for guests to view while a program host explains what is known about these fascinating astronomical

objects. The entire program takes place outdoors. The full program is approximately 2 hours long.
